In this session, people present new, different, innovative, successful project ideas to share experience and look for possible partners.

My Project Idea (describe the main points of your project idea in no more than two sentences):

Media and fashion designers are among the most influential factors when talking about the ways young people look and think. How can young fashion designers and young journalists from all around the globe participate in Cultural Olympiad launched this September by London 2012 Games aiming to get the true, genuine spirit of the Olympics, thus promote a global spirit of mutual understanding of cultural differences?
